Weekly Westhoff

Week of: September 5, 2016
Volume 1 – Issue 3

Principal's Corner

We had another great week of learning here at WES! You might have heard from your student about a new way that we are teaching Reading and Writing this year. Our teachers are working to bring the tools of our new curriculum into English Language Arts right away. This new English Language Arts Curriculum is called ReadyGEN.

As a safety precaution, we are now asking that you send a note to school, or call up to school, if you plan on having lunch with your child. If someone shows up to eat lunch and they are not in our database or we do not have a letter from home, we will have to call home to get the parent's permission. We need to make sure any adult coming to school to eat lunch has been verified by the parents. Thank you for understanding this procedure. Let me know if you have any questions.

-Mrs. Hooton

Please make sure that you are NOT dropping off students before 8:05 a.m. There is no supervision until that time.

“Make Me PROUD Today, Show The Westhoff Way!”

You can Click on the Items on the Lunch Menu to find out what ingredients are in the foods as well as what they look like: [Lunch Menu](#)

[Standards Based Grading](#) is being piloted at Westhoff Elementary! Parent Meeting September 7th at 6:30 pm!

Early Release Days

The following are the early
release days at Westhoff
Elementary School during the
2016-2017 School Year:

- September 15
- October 13
- November 3
- December 1
- January 12
- February 9
- March 2
- April 6
- May 4

Westhoff Dismisses on these
days at 12:50 pm. Students
will receive lunch.

Ice Cream Fridays

We are planning on beginning Ice Cream
Fridays on September 9th. They are
\$0.80 and students must have money in
lunch account to purchase.

If a Guest wants school lunch, the
school needs to know by
9:00 am.

Curriculum Corner

It has been wonderful to walk
into the classrooms and see
students working hard during
reading time, as well as writing
paragraphs that correlate with
what they are reading.

The use of interactive charts and
manipulatives in both ELA and
Math have been noticed in every
classroom!
