Principal's Corner

Parents,

Thank you for attending the Parent Information Night on Standards Based Grading. If you missed the presentation, please go to our website to see the Power Point that was shared with parents. I will be sending home more information about this program throughout the year. I appreciate your input and support.

Don't forget to attend our School Kick-Off and Book Fair on Tuesday, September 13th from 6-8 pm. Our PTC has been planning a great event!

Curriculum Corner

We are enjoying observing students
during their independent reading
time throughout all of the rooms
and away from their desks.

The use of brain breaks to get the
students up and moving are really
beneficial in all grade levels, we are
seeing a large usage of this.

In Math, the students are utilizing
hands on manipulatives, small
group, and whole group instruction
in all grade levels.
