Principal's Corner

Parents,

Next week we will be taking our 5th grade students to Cuivre River State Park for our week-long outdoor education program. I will be spending the week at camp with our 5th grade students and staff. Dr. Deering will be here in the building. You will still be able to reach me via my email and/or cell phone number.

I also wanted to let our 4th and 5th grade parents know that DESE (Department of Elementary and Secondary Education) will be releasing MAP scores soon. Scores will be sent home on September 30th.

Thank you for your continued support!

Alicia Hooton
Principal

Curriculum Corner

Our teachers are doing a wonderful job with incorporating Standards Based Grading into their curriculum. It is great to see the students beginning to understand areas that they are doing well in for each subject as well as determining the areas where they need extra practice.

Teachers are continuing to differentiate instruction each day in order for all students to get the education that best fits their needs!
