Dear Parents/Guardians:

Ft. Zumwalt's Elementary Schools are excited to continue their partnership with Ft. Zumwalt's Education Foundation's 5K run. Last year, over ten elementary schools participated in Ft. Zumwalt's Better Together Program. We had an overwhelming turnout from our Ft. Zumwalt schools, families and the community. This year we hope to continue to enhance the experience and have an even larger turnout. We ask you, the parents/caregivers, to partner with us in encouraging our students to be active, promote reading and practice being a good friend to all.

Students will be asked to over the course of approximately 8 months to read 26 developmentally appropriate books (30 pages = 1 book, if reading chapter books) and do 26 good deeds/acts of service and run 26.2 miles individually to add up to a full marathon by race day.

As Better Together Marathon participants, your child(ren) will:

- Have a Better Together coordinator at his/her school (Some schools specifically have a club that meets before school to work on completing the expectations.)
- Receive a journal to record each book, mile, and deed
- Participate in the final event tentatively scheduled for April 29, 2017 at 9:30am, where each student runs the last 1.2 miles of the marathon. Each finisher receives a t-shirt and medal!

There is a \$20 fee for your child to register as a participant. The fee includes the cost of the medals, t-shirts and donation to Ft. Zumwalt's Grow Your Own Teacher Scholarship Program.

Attached are other documents with details about the program. If you have any questions regarding registration, meeting dates and times, please feel free to contact your school's specific coordinator or email me, Marc Schultz, at mschultz@fz.k12.mo.us. We hope you will consider having your child participate in this annual event. It is a wonderful way for your child to experience the excitement and pride of reaching long-term goals!

Happy Running,

Marc Schultz
Better Together Coordinator

Curriculum Corner

Music - Classes worked diligently to learn the Armed Forces Medley in order to musically honor our Veterans on Friday at the Westhoff Veterans Day Assembly. First graders are singing their hearts out in preparation for their musical "Snoozy Snowflake" at North High on Dec. 12th at 7:00pm. Across the board, students are developing important life skills through music, including literacy, cooperation, independence and creativity.

KDG - In ELA will compare Farming Then and Now and The Old Things. The students will work on making connections, key details, and author and illustrator roles. In writing the students will agree or disagree, compare and contrast old and new, and write about life in the past. In math we will work on CH. 6 - Numbers 0 to 20.
